Mr. P. Morton,

Paragraphs 1, 2, 5 and 6 of letter from ~~the~~ Extra Assistant Superintendent, Survey of India, Tinnevelly, to the First Assistant to the Resident in Mysore.

I have the honour to inform you that in view of the execution of a magnetic Survey of India, I have been deputed to take magnetic observations, and rebuild the magnetic survey pillars at Bangalore, and Birur in the Kadur District of the Mysore State; these pillars it is desired to preserve for future use.

2. I have been instructed by the officer in charge of No. 18 Party, Magnetic Survey of India, to approach you for the present with the request that you will be good enough in the case of Birur to ask the Mysore Government to depute a state official at Birur and instruct him to acquaint himself with the position of the pillar when I have built it, and I shall feel much obliged by their kindly intimating to me the designation and address of the officer deputed, so that on my arrival at Birur, probably on the 18th April, I could write and ask him to come and see the pillar when ready.

The Magnetic Station at Birur is situated in the vicinity of the Rest House near the Railway Station.

* * *

The name of the Sub D. C of Kadur may be given Draft dated 14

5. The Administrative officer of this Department will address you on the subject of the preservation of these stations in due course.

6. The favour of a reply is requested to my address at Cannanore P.O., C/O Post Master, to reach me there about the 11th April.

Reporting on the pre-
sence of Mr B.T. Kesavienga-
Sub Divisional Assistant
Commissioner while -
Mr Morton at the pillar
at Birur which the late
had rebuilt

Letter No. 2740/82, dated the 16th May 1915, from the Superintendent of the Trigonometrical Survey, to the First Assistant to the Resident in Mysore.

In the execution of the Magnetic Survey of India one station has been selected and observed at within the limits of the village lands of Amritmahal, Kaval Birur, Sub-Division Kadur, District Kadur, Mysore State, which it is desired to preserve for future use. It is named No. 207, Birur Magnetic Station.

The attached forms contain a separate detailed description of it.

I shall esteem it a favour if you will be so good as to direct the local official concerned to take charge of the pillar and to preserve it from injury.

The delegation of the care of stations of the Triangulation to District and other local authorities was approved by the Government of India in 1866 (vide Government of India No. 3735 of 17th August 1866) and the case of these magnetic stations is analogous. I have not thought it necessary to go up to Government for formal orders, feeling sure that you will not object to giving this department the assistance that is now asked for.
